

Voyage Through The Vortex, Unlock the Matrix

Winter solstice, Matariki 2021 with The Almora team, 18 – 23 June 2021

Over the last year many have been feeling 'Upgraded' our health, (mysterious illness, debilitating fatigue) our emotional centres (erratic and unpredictable) and our spirits (travelling far and wide night and day) creating brain fog, or making us feel spacey, affecting our focus and clarity.

Our freedom to travel has been restricted by the world pandemic, and we have had times, of being isolated from many things. There have been many endings (relationships, careers, living spaces). Yet we have also been re-prioritising what we do for a living, who we share our time with, what we do with that precious time.

What uplifts us, and gives us fulfillment? What inspires us to move forward? Where is it that we are going in life? All is not what it seems! Could it be that there has been **Magick at work?**

You are invited to retreat, to reflect, to recalibrate.

Let Spirit and the Mountain work their Magick!

Called to the Magick Mountain of Aoraki, power energy site, and Star-gate between heaven and earth. Preparing the pathway, for the next step in the soul's journey, for our new human's alignment.

Well- being, strength, clarity, motivation and empowerment.

Journey with us, the Almora team and our family of heaven (Pleiadian) and earth (Mother Gaia).

What is the Matrix? It is the Multi-dimensional level of our being, our purpose, our life, and the next step in the recalibration of 'The New Human' - Mind, Body and Multi-dimensional spirit.

Come and join us for an intensive, but also balancing, restorative and relaxing, five days in conference and retreat in Majestic Aoraki Mount Cook.
